'99-HOSPITAL' Platform

MEDICAL TOURISM

CLEVERx assists international patients by coordinating with reputed hospitals and specialists to ensure smooth treatment planning and care.

SECOND OPINION

Making the right medical decision is critical. CLEVERx facilitates access to medical 'second opinion' from qualified specialists through partner hospitals and doctors.

HEALTH INSURANCE SERVICE

CLEVERx assists individuals in understanding and choosing suitable health insurance options from leading providers with claim support & grievance assistance.

APPOINTMENT BOOKING

CleverX provides assistance in scheduling hospital appointments with specialists and partner hospitals to ensure patients receive timely medical consultations.

AMBULANCE SERVICE

Our service through trusted providers to ensure timely patient transportation. We specialized in critical care Airborne ICU transfers & Charter flights.

TELE-CONSULTATION.

Our Tele-consultation allows patients to consult doctors remotely with qualified medical practitioners through secure platforms.

HEALTH CHECK-UP PACKAGES.

CLEVERx offers a set of essential lab tests & diagnostic evaluations to help individuals understand their current health status & identify potential medical risks

AYURVEDA

CLEVERx assists international and pan-India patients in accessing - reliable Ayurveda and Holistic Wellness care through a structured coordination system.
